2. Please see E.D. letter requesting this Department to lend the services of a suitable hand from the Bombay Service of Engineers for appointment as Lecturer in Civil Engineering at the L. D. College of Engineering, Ahmedabad. Before the request is considered, it seems necy. to know whether that Department wants a B.S.E. Class I Officer or B.S.E. Class II Officer for the purpose. If approved, the E.D. may be requested first U. O. to clarify the position.

With reference to the P.W.D. note overpage it may be stated that the post of Lecturers in Civil Engineering is a class II post and as such the services of a B.S.E. ClassII Officer in that post will be needed.

2. It may incidentally be pointed out that the reference to the L.D. College of Engineering Ahmedabad in this Department letter of 15-9-49, is a mistake for the College of Engineering Poona. The services of the P.W.D. officer will be required in the post at the latter College (Poona College)

2. The E.D. requires services of a B.E.E., Class II Officer for appointment as a Lecturer in Civil Engineering at the College of Engineering, Poona, and not at the L.D. Engrg. College A'bad. That Deptt. has been informed in its file No. 7834/60921 that two candidates will be allotted to that Department from the candidates recently recommended by the B.P.S.C. for the posts of temp. Dy. Engrs., in addition to the services of Mr. P.M.Mistry, temp. Dy. Engr) already placed at the disposal of that Department for appointment as an Asstt. Lecturer at the L.D. Engrg. College, A'bad. Thus the total demand of three B.E.E., Class II Officers i.e. two for the L.D. College of Engrg., A'bad, as Asstt. Lecturers in Civil Engrg. and one for the College of Engrg., Poona, as a Lecturer, will be fully met.

Submitted with reference to U.S.(P)'s note dated the 19th Oct., 1949. For the reasons mentioned in para. 2 of D.S.(P.W.D.)'s note dated the 19th Oct. 1949 the P.W.D. is not prepared to release Mr. O.H.Patel for appointment as to the post of Lecturer in Civil Engineering at the College of Engineering, Poona. The file in which we have asked the P.W.D. to send to this Department the services of a suitable hand from Bombay Service of Engineers till direct recruitee becomes available i/s submitted as linked file IV. Since we have not received any reply from the P.W.D. that deptt. is being remind in l.f. IV.

Id/-
1-11-49.

P.W.D. have, I think, separately agreed to lend us the services of 2 more officers (in addition to same lent) and in that case perhaps it would not be desirable to press P.W.D. for releasing Mr. O.H.Patel. But, I understood from J.D.T.E. that Mr. Patel's qualifications and aptitude and perhaps his own preference were all for the teaching line and it would in that case be a distinct gain if his services could be made available to the Engineering College, Poona. P.W.D. may be requested to examine the question from this point of view. In case Mr. Patel joins E.D., one less officer will be required from P.W.D. as shown at A in the o.n. above.

2. The E.D. is of opinion that it would be a distinct gain if the services of Mr. C.H.Patel are made available to the Engineering College, Poona.

3. It may be stated in this connection that the B.P.S.C. has recommended Mr. Patel as a candidate fit for absorption in the P.W.D. as Dy. Engr/ and he has been posted to the C. I. C. as verbally directed by the Tchm Secy. (R & B)

4. The suggestion made by the E.D. is for orders.

Secret E. B. (II).

Mr. Patel's deputation to Educational Department would be a definite loss to the P.W.D. In view of the fact that the additional number of students who will be passing out of the Engineering Colleges at Ahmedabad and Poona, would considerably relieve the present shortage of Technical staff in the P.W.D. it is for consideration if the P.W.D. may agree to lend the services of Mr. Patel to the Ed. Department and thus to help in training the students.

E. S. (I).

The Services of Mr. C.H.Patel, Temp. Deputy Engineer, were placed at the disposal of the E.D. for apptt. as lecturer in the College of Engineering. Forms, Vide G.L. No. 1418/48-E(I), dated the 19-12-49.

2. Mr. Patel in his letter under disposal states that this deputation to the E.D. is "not fit to his [illegible] training and advanced studies as he is better trained in the field of Soil Mechanics." He further states that it will be just purpose if he will have chance to utilise his advanced training in Soil Mechanics in the Laboratory to be opened at Baroda under the S.e., C.I.C.. Please see remarks of the S.E., C.I.C.

3. Attention is invited to G.L. No. 1418/48-E(I), dated the 24-10-49, in which the E.D. was informed that two officers of E.S.e. Class II will be allotted to that Department from the candidates recently recommended by the E.P.S.C. for the posts of temp. Dy. Engrs. in addition to Mr. N.M.Oza, temp. Deputy Engineer whose services have already been placed at its disposal vide G.L. No. 9939/36-E(I), dated the 12-12-49. It was not our intention to depute Mr. Patel to the E.D. But this matter was re-examined as the E.D. was of the opinion that it would be a distinct gain if the services of Mr. Patel

were.....

were made available for Engineering College, Poona, as Mr. Patel's qualification and aptitude and perhaps his own preference were all for the teaching line vide notes at pp. ante.

4. It is for consideration whether Mr. Patel's request for being continued in the C.I.C. and subsequently attached to the Laboratory at Baroda may be granted.

5. If Mr. Patel's request is granted, then one Dy. Engr., will have to be made available to the E.D. for appt. as Lecturer in the College of Engineering, Poona. On receipt of orders on this point, the papers will be shown U. O. to the E.D. in due course.

No. 1011-48 I.B.(II), dated the 3-1-50, in con. with the establishment of Soil Physics Laboratory at Baroda that this Laboratory be allowed the use of the accommodation and the equipment of the agrl. Laboratory of the University. The necessary arrangements are accordingly being made by the S.E., C.I.C., direct with the University authorities. In con. with the proposal noted in paras. 1 - 5, please see para 10 of the S.E., C.I.C.'s letter No. C.I.C. 681, dated the 5-11-49 re. Mr. Patel's great suitability for the Laboratory work.

Id/-

Mr. Patel has received advanced training in 'Soil Mechanics' while he has been asked to teach in the subject of 'Town Planning'. As remarked by the S.E., C.I.C., on page 28 of the C/s this looks wrong way to make best out of available Talent. We may perhaps agree with the S.E. and allow Mr. Patel to continue in the C.I.C. It might be possible to lend another officer to the E.D. till the middle of June, when the College will reopen for the next academic year.

3. It has since been decided that the Hr. The services of shri C.H.Patel, temp. Deputy Engineer, were placed at the disposal of the E.D. for apptt, as Lecturers in the College of Engineering, Poona, subsequently Shri Patel's services were retained in this Department and he was allowed to continue in the C.D.C. The E.D. was informed that it might be possible to lend another officer in place of Shri Patel for apptt. to the post of Lecturer in the middle of June 1950.

2. The E.D. now requestes that the name of an officer may be suggested for being lent to that Department for apptt. to the post of Lecturer in the Civil Engineering (Town Planning) at the College of Engineering, Poona.

3. On account of Re-organisation of P.W.D. charges and closure of the E.C., only 7 temp. Deputy Engineers were found surplus and they have already been allotted to other Departments. (5 for S.T. and 2 for Milk Orgn.) Thus there is no Dy. Engineer available for being lent as to the E.D. at present.

Shri Kulkarni was recommend by the B.P.S.C., in 1949 for apptt. as temp. Deputy Engineer. Prior to his selection by the Bombay P.S.C. The P.W.D. has agreed to the proposal to grant of spl. pay to Shri Oza and Shri Madkarni at the rate of 20% of their pays. As is done in the case of Shri V.K.Rajgopalan and also of Shri R.S.Deshpande, it seems that the P.W.D. should issue orders granting them spl. pay equal to 20% of their grade pay. Since however we have issued orders reg. their apptt. to the upgraded posts of Lecturers in Civil Engg. in the E.E.S.Class II vide G.Rs. E.D.,. No.7834, dt. 10-7-50 (p.45-47) it seems proper that orders should issue from this Department . If it is decided to issue orders from this Department necy. orders will be put up on return of these papers from submission.

)As the charge is question is [illegible]-ble to P.W.D. the orders in questi)will have to be)issued by this Deptt.

Id/-

There are now further complications in the matter which are discussed below:-

I. Shri Oza has explained fully in his representation dt. 30-9-50 (at p. 93/c) how he is not suited for teaching Hindi and has pressed for his reversion. The J.D.T.E. seems to be inclined to allow him to revert provided another officer from the P.W.D. is deputed immediately vice Shri Oza. The P.W.D. may be requested w.e. to consider Shri Oza's representation and if that Department is inclined to agree to his reversion that department should depute another suitable officer in his stead.

II. The A.G. Bombay has withheld the payment of increment due....

due to Shri C.R.Kulkarni, who has been appointed as offg. Lecturer in Civil Engg. at the College of Engineering, Poona as per G.R., P.D., No.7334, dated the 18-7-50 and whose increment falls due on 17-10-50 for the reason that his apptt. in the B.E.S.Class II is on purely temp. basis on his pay in the P.W.D. on the date of his apptt. and that orders of Government will be necessary to allow him enhanced rate of pay before completing one year's service in the present post. In this connection, it may be pointed out, that in cases of apptts. of all the three candidates viz. Shri Oza, Shri Nadkarni and Shri Kulkarni, we have sanctioned their apptts. in the B.E.S.Class II scale on their present pay under the P.W.D. on purely temp. basis pending further orders. In all these cases it seems necessary to issue orders allowing them to draw increments from the dates they would have drawn under the P.W.D. The F.D. may see U.O. for concurrence on this point.

III. Shri C. R. Kulkarni handed over charge of the Village Water Supply Sub-Division at Rajapur in Ratnagiri Division on 3-7-50 after noon and reported for duty to the Principal, College of Engg., Poona, on 14-7-50 before noon after enjoying 7 days joining time plus 3 days transit. The J.D.T.E. has pointed out at 97/c that under rule 101 A of B.C.S.R. Vol. I, a Govt. servant not holding a substantive apptt. is not ordinarily entitled to any pay during joining time unless the competent authority who orders the transfer allows him to draw it. It may be stated that is on the specific orders of the post under E.D. It is therefore for the P.W.D. to consider the request of Shri Kulkarni in view of provision indicate that candidates in the Bombay Service of Engineers, Class II should be granted subsistence allowance during joining time when they are transferred from one place to another during the period of their training. If P.W.D. agrees to the request made by Shri Kulkarni that Department may be requested to issue orders in the matter in consultation with the F.D. and endorse copies thereof to this Department the J.D.T.E. and the Principal, College of

Engg....

Xthe same. —Though we have issued orders appointing him

/P.W.D. that Shri Kulkarni had taken over charge of the post

Engineering Posts.

IV. The P.S.C. has suggested that unless the appointments of these candidates are discontinued by the 31st Jan. 1951 a reference may be made to the Commission again in Feb. 1951 with an indication of Govt's intention regard to the future continuance of the posts. Necy. reference will be made on return of the papers from the P.W.D. & F.D.

note.....

note dated the 6th September 1950.

"The J.D.T.Es attempts to recruit candidates from open market for the three posts of Asstt. Lecturers in Civil Engg. at the Engg. Colleges - to at Poona and one at Ahmedabad proved unsuccessful. The P.W.D. was requested to depute suitable candidates from among those recommended by the Commission for apptt. to the posts of temporary Deputy Engineers under it. The P.W.D. agreed and as these officers would have been in gazetted employment under the P.W.D, the three posts were accordingly temporarily upgraded from being offered to them. Three posts are now offered to the following P.W.D. officers:-

Name of the candidate.	Apptt. under P. W.D.	Apptt. under E.D.
1. Shri N.M.Oza.	Tempy. Dy. Engr., in North Gujrat Circle.	Lecturer in Civil Engg. at the College of Engg. A'bad.
2. Shri V.S. Madhavrai.	Tempy. Dy.Engineering the Public Health Circle.	-do- -do-
3. Shri G.R. Kulkarni.	Tempy Dy.Engr. under the P.W.D.	Lecturer in Civil Engg., at the College of Engg., Poona.

These apptts. are tempy. for the period of one year in the first instance commencing from the date the above officers had taken or take over charge of the posts or till such time when some other suitable candidtes become available whichever is earlier vide para. 2 of G.R. E.D. No. 7834/28693-K, dated 4-11-49. The P.S.C. may be made aware of this position in reply to their letter No. 15 (2) (28) dated 16-8-50 (p.77/c) . The draft letter at pages 85-86/C may issue after w.e.r. to the P. & S.G.

2. Shri N.M.Oza has taken over charge of the post on the 3-3-1950 forenoon. He now considers that a deputation allowance is admissible to him under the Bombay Civil

Services....

Services Rules. Attention in this connection is invited to paras. 2 and 4 of the J.D.T.E.'s letter dated 10-8-50. There is no provision in the B.C.S.R. for the payment of deputation allowance to the above officers. However, in view of para. 6 of Shri C.C.Preke's (the then D.S., P.D.'s) note dated 27-3-1936 it seems that as a convention some officers are being paid deputation allowance at 20% of their gradepay during their transfer to some other post. Shri V.K.Rajwade is presumably getting deputation allowance likewise. On that analogy it is possible to pay deputation allowance to Shri N.M.Oza who has taken over charge of the post, and also to Shri V.S.Madhavrai when he takes over charge of the post offered to him. We may ask the P.W.D., to furnish this Department in the first instance the file containing the proceedings underlying G.L., P.W.D.No.762/36-B I, dated 23-2-1936."

The E.D. has refd. these papers to this Deptt. to offer remarks on para. 2 of that Department note at pp. 23-24 ante.

2. The question under consideration is regarding grant of deputation allnce. to Shri N.M.Oza, and Shri V.S.Madhavrai, Temp, Deputy Engineers, who have been deputed to the E.D. for apptt. as lecturers in Civil Engineering at the College of Engineering, Ahmedabad. The E.D. presumes that Shri V.K.Rajwade, Asstt. P.W.E., who has been deputed to the E.D. for apptt. as lecturer in the College of Engineering, Poona, is getting deputation allnce. at the rate of 20% of his pay and on that analogy, the E.D. states that it is possible to pay deputation allnce. to Shri Oza and Shri Madhavrai.

3. The services of Shri Oza and Shri Madhavrai were placed at the disposal of the E.D. for apptt. as lecturers, vide G.Le. No. 9858/36-B(I), dated the 13-12-49 and No. 9697/36-(2)-B.(I) dated the 8-8-50. Please see para 3 of G.E. No. 762/36-B.(I), cpntd...

dated the 23-2-46 Shri Majgaonkar was granted his grade pay in E.S.E. Class II plus 20% thereof as special pay Shri R.R.Deshpande, Assistant Engineer, who was deputed to the E.D. for apptt. as Lecturer, was also granted his grade pay plus 20% thereof as spl. pay vide G.L.No.762/36-E., dated the 10-4-37. Attention in this connection is invited to the notes at pp.65-66 of the file No. 762/36-I put up below. In view of this, the E.D's. proposal for the grant of spl. pay to Shri One and Shri Kulkarni at the rate of 20% of their pays may be accepted in this Department.

4. As regards Shri G.R.Kulkarni, Temp. Deputy Engineer, who has also been deputed to the E.D. for apptt. as Lecturer at the College of Engineering, Poona, it may be mentioned that Shri Kulkarni has applied for his reversion reversion to this Department and the question is separately under consideration in this Department.

5. This Department file No. 762/36, Annexd pt. I containing proceedings underlying G.L.No.762/36,E (I), dated the 23-3-46, may be forwarded to the E.D., as requested by that Department with a request to return it when done with.

20% deputation allowance may be paid to officers sent to the E.D. But I think we should make a proper selection First all eligible persons may be asked whether they are willing to go to tghe E.D. and a selection should be made out of those who express such willingness. While sending round the inquiry the subjects which the person selected will have to teach should also be intimated, as the office's choice will be greatly influenced by this consideration.

In G.L. No. 1418/48-E(I), dated the 2-6-50, the services of Shri G.R.Kulkarni, temgy. Dy. Engr., were placed at the disposal of the E.D. for apptt. as Lecturer in Civil Engrg. at the College of Engrg., Poona. For the reasons given in his representation, Shri Kulkarni requested for his reversion to the P.W.D. The Principal, College of Engine r Poona, the Jt. Dir. of Techl. Education and the E.D. agreed to Shri Kulkarni. Please see remarks of the Vice-Principal, College of Engineering, Poona, in respect of Shri Kulkarni.

/reversion to the P.W.D. and requested to depute another suitable Dy.Engr. to the E.D. in place of Shri Kulkarni.

2. In G.L. No. 1418/48-E(I), dated the 14-2-51, the S.Es. of Circles and the P.H.E.to Government were requested to suggest the name of a suitable Deputy Engineer for being deputed to the E.D. in place of Shri Kulkarni.

3.....

3. The S.E., N.C.C., has reported that he has no Dy. Engineer to spare except Shri A.T.Harpalani, temply. Deputy Engineer who is not willing to accept the post. The P.H.E. to Government has also reported that he has only one suitable Deputy Engineer viz. Shri C.K.Adshetti, for being deputed to the R.D. But Shri Adshettiji is not willing to accept the post. The S.E., S.C.C. has however reported that Shri K.H.K.M. Mhaslai, E.E., temply. Deputy Engineer, is willing to accept the post and he can be spared if he is selected. All other S.Es. have reported that they have nobe to suggest.

4. The Officer, who will be deputed from this Department to the R.D. for apptt. as lecturer in the College of Engrg., Poona, would be reqd. to teach the following subjects:-

1. Quantity surveying.
2. Project drawing.
3. Roads and Earth work and also Town Planning, if possible.

The Officer must possess the following qualifications for the purpose of his being recognised by the Poona University as a full-time Lecturer :-

(a) A second class Bachelor's degree in Civil Engrg., or its equivalent.

(b) Five years' professional experience in approved works or Corporate Membership of a Chartered Professional Institution.

5. Shri Mhaslai was working as an Asstt. Engr., in the late Janjira State since 1933. He has been absorbed in the Bombay State, P.W.D. as temply. Deputy Engineer, in the B.S.R., Class II, in the year 1948. He possesses the second class Bachelor's degree in Civil Engineering but has not got the requisite 5 years' experience in approved works or Corporate Membership of Chartered Professional Insitutition. The Personal File of Shri Mhaslai is put up below. The S.E., S.C.C., has offered no remarks regarding the suitability of Shri Mhaslai for the Lecturer's Post.

6.

It is for consideration whether Shri Khalsa may be deputed to the E.D. for apptt. as Lecturer or the E.D. may be informed that there is no suitable Deputy Engineer for being deputed to the E.D. at present.

Id/-
25-4-51.

I do not think that Shri Khalsa would be a suitable choice. E.D. may therefore be informed that there is no suitable Deputy Engineer available for being deputed as a Lecturer. At the same time Shri G.R.Kulkarni may now be reverted, to the P.W.D. as it is unfair to him to retain him in the College of Engineering.

Id/-
27-4-51.

I hope the E.D. will be able to make other arrangements

While a Deputy Engineer to be deputed to the E.D. should be a suitable officer and the deputation should not be against his wishes, the emphasis laid on 'willingness' of certain officers by the S.Es. seems to be out of plan, because deputation to E.D. is not 'foreign' service and an officer could, if necessary, be compelled to serve under a Govt. department like E.D. provided one gives him no cause for reasonable complaint.

In G.L. No. 1418/48-E, dated the 8-5-51, the E.D. has already been informed that there is no suitable Dy. Engineer available in this Department at present for being posted as Lecturer in Civil Engineering at the College of Engineering, Poona, in place of Shri G.R.Kulkarni, temp. Deputy Engineer.

2.....

2. Please see endt., dated the 4-6-51 from the E.D. that Department requests us to take immediate steps for Shri Kulkarni's reversion to the P.W.D. and also ~~in~~ to depute another suitable officer in his place. Attention of that Department may be drawn to C.L. referred to above. The Executive Council of the University of Poona has not approved Shri Kulkarni's appointment as a teacher in the College of Engrg., Poona, as he does not possess the prescribed qualifications. The E.D., may, therefore, be requested to issue orders regarding reversion of Shri Kulkarni to this Department immediately to enable us ~~to~~ to decide his posting.

Subt- My deputation to Education Department for appointment as Lecturer in Town Planning.

Sir,

I, the undersigned, C.H.Patel, submit the following for your sympathetic consideration:-

After my arrival from U.S.A. after advanced studies and practical training, I was posted P.W.D. Secretariat, Bombay, for a month. From the early October, I am, then transferred to Gujrat Irrigation Circle at Baroda. I am working in Baroda Navagam Irrigation Division for last 3 months. Recently I am

deputed....

deputed to Education Department for teaching Town planning.
In this connection, I may be permitted to mention that my deputation to Education Department as Lecturer in Town Planningis not at all fit to my training and advanced studies. It is waste of talents to start to learn from the begining and teach the same. On the contrary, I am better trained in the field of Soil Mechanics - a Science which our Nation needs so badly today. It will therefore be just proper if I shall have a change to utilise my advanced training in Soil Mechanics ikk in the Laboratory to be opened at Baroda under Gujarat Irrigation Circle. In the latter case, I shall be more useful and offer better services. I shall benefit further by practical experience and my knowledge will find further practical ex xpplication in the field work.

I therefore request you to reconsider the same in view of the above mentioned facts which I hope will convince you.

Hoping to be excused for the troubles and thanking you,

Yours obediently,

College of Engineering, Poona and Ahmedabad
Lecturer in Civil Engineering.

Sir,

I am directed to refer to your letter No. 15(1) (43), dated the 16th August 1950, on the subject mentioned above and to state that the posts of Lecturer in Civil Engineering at the College of Engineering, Poona and at the L.D.College of Engineering, Ahmedabad, in the Bombay Service of Engineers Class II held by Shri G.R.Kulkarni and Shri V.S.Kadkarni, temporary Deputy Engineers under the Public Works Department are not the same as those advertised by the Public Service Commission with reference to this Department letters No.S.20(2)/320-K, dated the 25th March 1950 and No.7834/5001-K, dated the 5th June 1950. The Joint Director of Technical Education, as the head of the Department, has powers to make non-gazetted appointments in Engineering Colleges and he had accordingly advertised the three non-gazetted posts of Assistants Lecturers in Civil Engineering, one at the College of Engineering, Poona, and two at the L.D.College of Engineering, Ahmedabad. His attempts to recruit candidates from the open market proved unsuccessful and this Department had therefore to request the Public Works Department to lend suitable candidates from among those recommended by the Commission for appointment to posts of temporary Deputy Engineers under them. For the sake of appointing such candidates, who would have normally held gazetted posts in the Public Works Department to the three non-gazetted posts referred to above, they were temporarily upgraded to Bombay Services of Engineers Class II and one such post at the L.D.College of Engineering, Ahmedabad, was offered by Shri M.N.Oza, temporary Deputy Engineer in the North Gujrat Circle, on a purely temporary basis on his present pay under the Public Works Department vide Government Resolution Education Department,, No. 7834, dated the 7th February 1950 (copy enclosed). Shri M. N. Oza, has since taken over charge of the post on 3rd March 1950 forenoon vide Joint Director of Technical Education's ~~Superintendent, Survey, Ahmedabad~~ letter No. A/2/302/3533, dated the 11th March 1950 (copy enclosed). The remaining two posts, one at the College of Engineering, Poona, and another at the L.D.College of Engineering,

Ahmedabad.....

Ahmedabad, have been similarly offered on a temporary basis to Shro G.S.Kulkarni and Shri V.D.Kadkarni, temporary Deputy Engineers under the Public Works Department. I am to add that these appointments will be for a temporary period not exceeding one year commencing from the date of takin over charge of the posts by the candidates become available for appointment thereto, whichever is earlier. As, however, it cannot be said at this stage whether these appointments will continue beyond the period of one year I am to request that the Commission may be moved to accord their approval thereto.

Yours faithfully,

Sir,

In obedience to Government in P.W.D.Letter under reference above, I reported for duty here on 14th A. N. on being relieved of my previous charge of the C.S.V.W.S.Sub-Division Rajapur in Ratnagiri Division.

I may be permitted to point out that I joined on my application...

application and selection by the Bombay Public Service Commission for service in P.W.D. as a Deputy Engineer in the B.E.S.Class II. Neither then now at any time until the recent orders, had iI had any idea of working in the Education Department. I have since my appoint in the P.W.D. undergone training in P.W.D. procedure and accounts, and after wards held charge of sub-Divisions for nearly 8 months. I desire to acquire more experience of execution works, before I consider myself qualified to teach Engineering Subjects. On coming here, I feel convinced that teaching is not a suitable line for me tat the present moment.

I further understand that the conditions laid down by the University for Lecturers cannot be fulfilled in my case. I reported for duty there purely inobedience to the Government orders and I strongly desire to go back to my own Department as soon as possible. Under the Circumstances I beg to request the Government to take me back to P.W.D. and issue the necessary orders immediately.

Forwarded with compliments for further disposal.

2. Shri G.B.Kulkarni has been given the duties of an Assistant Lecturer as his qualifications do not entitle him to recognition as a Lecturer by the University of Poona.

3. In view of the lack of confidence expressed in his representation, the undersigned would not have any objection if his parent department would like to have him back.

4. In the event of the Public Works Department deciding to recall Srhi G.B.Kulkarni, another Deputy Engineer who would be willing to work in this College may be deputed in the upgraded post in place of Shri Kulkarni.

5. There are two applications as of fresh graduhes in Civil Engineering received in this office for the post of Assistant Lecturer and there may be more if the post is advertised, ~~xx~~ but it would not be stated for a certainty if the applicants would be prepared to give an undertaking to serve for a period of one year in this first instance.

I agree with th e remarks of the Principal in paras 2,3 and 4 of his endorsement referred to above.

As regards para 3, the Principal, College of Engineering, Poona, has already been requested to advertise the post of Assistant Lecturer with a view to recruiting a suitable candidate who could be reasonably expected to stay for some appreciable period. It is, however, the experience of this Department that a fresh graduate recruited, does not stick up for long, and so I am have to request that Government may kindly depute another officer, immediately, vice Shri G.R.Kulkarni, in case he is allowed to revert.

Sir,

I am directed to refer to your letter No. 15(2) (28) dated the 22nd November, 1950 on the subject mentioned above and to state that one of the posts of Lecturer in Civil Engineering at the college of Engineering Poona has been retrenched under the retrenchment scheme and Shri Oza is being relieved of his present duties. The Executive Engg Council of the University of Poona have not approved the appointment of Shri C.R.Kulkarni to the post of Lecturer in Civil Engineering at the College of Engineerg, Poona and the Public Works Department is being requested to arrange for his reversion to that Department and depute another suitable officer in place of him. Of the three candidates only Shri V.S. Kadkarni who has joined the post of the L.D.College of Engineering on 31st August 1950 is likely to continue as long as a suitable candidate is not available for appointment to the post of Assistant Lecturer in Civil Engineering attempts for recruitment to which are being made by Government. I am therefore to request you to move the Commission to acquiesce in the continuance of Shri V.S.Kadkarni in the upgraded post of Lecturer in Civil Engineering at the L.D.College of Engineering, Ahmedabad, till such time as some suitable candidate becomes available.

Ap-pointment of Asstt. Lecturers in
Civil Engineering at the--

"I have to state thatthe Principal, College of Enginee ing Poona, informs me that two posts of Asstt. Lecturers in Civil Engineering at his college were advertised by him in December 1950. In response to the advertisement twelve candidates applied. Out of these, eight candidates who appeared suitable were called in interview only four candidates were present. Subsequent to the advertisement of the above two posts, two other posts of Assistant Lecturers in Civil Engineering fell vacant and the candidates called for interview for the two advertised posts were considered for appointment to these two additional vacant posts. The candidates interv wed were placed in the following order of merits-

1. Shri V. N. Gharpure.
2. " R. M. Mann.
3. " A. M. Deshpande.
4. " C. R. Bhide.

The particulars of the above candidates may please be seen in the statement attached.

As the particulars of Shri V.N.Gharpure and Shri A.M.Deshpa -pande were i n order, I have already approved of the Principal's action in filling up two of the vacant posts mentioned above by appointint them.

As regards Shri C.R.Bhide, I have already approached Government separately.

The...

The Principal proposes to appoint the candidate Shri B.M.Mama to the remaining vacant post of Assistnat Lecturer in Civil Engineering on the maximum of the scale of pay of Asstt. Lecturer in Civil Engineering viz. Rs. 250/- per month in view of his qualifications and experience. As Shri Mama is 52 years old he is overage for appointment to the post. For the posts of Assistnat Lecturers the grade is such that no well qualified quick succession of arrivals and departures in these posts in the whole college, disrupting the academic work. As Shri Mama happens to be an experienced hand of about 52 he is likely to stay for atleast 3 years and there would be some sort of stabilising influence. ~~In view of the death of suitably qualified technical personnel.~~ In view of the death of suitably qualified technical personnel, I agree with the Principal and have to request that Govt. may be pleased to approve of this office proposal and to relax the condition of upper-age limit in favour of Shri Mama.

If Govt. approve of the above appointment, no substitute in place of Shri G.R.Kulkarni need be arranged to be deputed from the Public Works Department as requested in this office endt. No. A/1/L-S(3)/1310, dated the 19th August 1950.
